

# Carpark Access

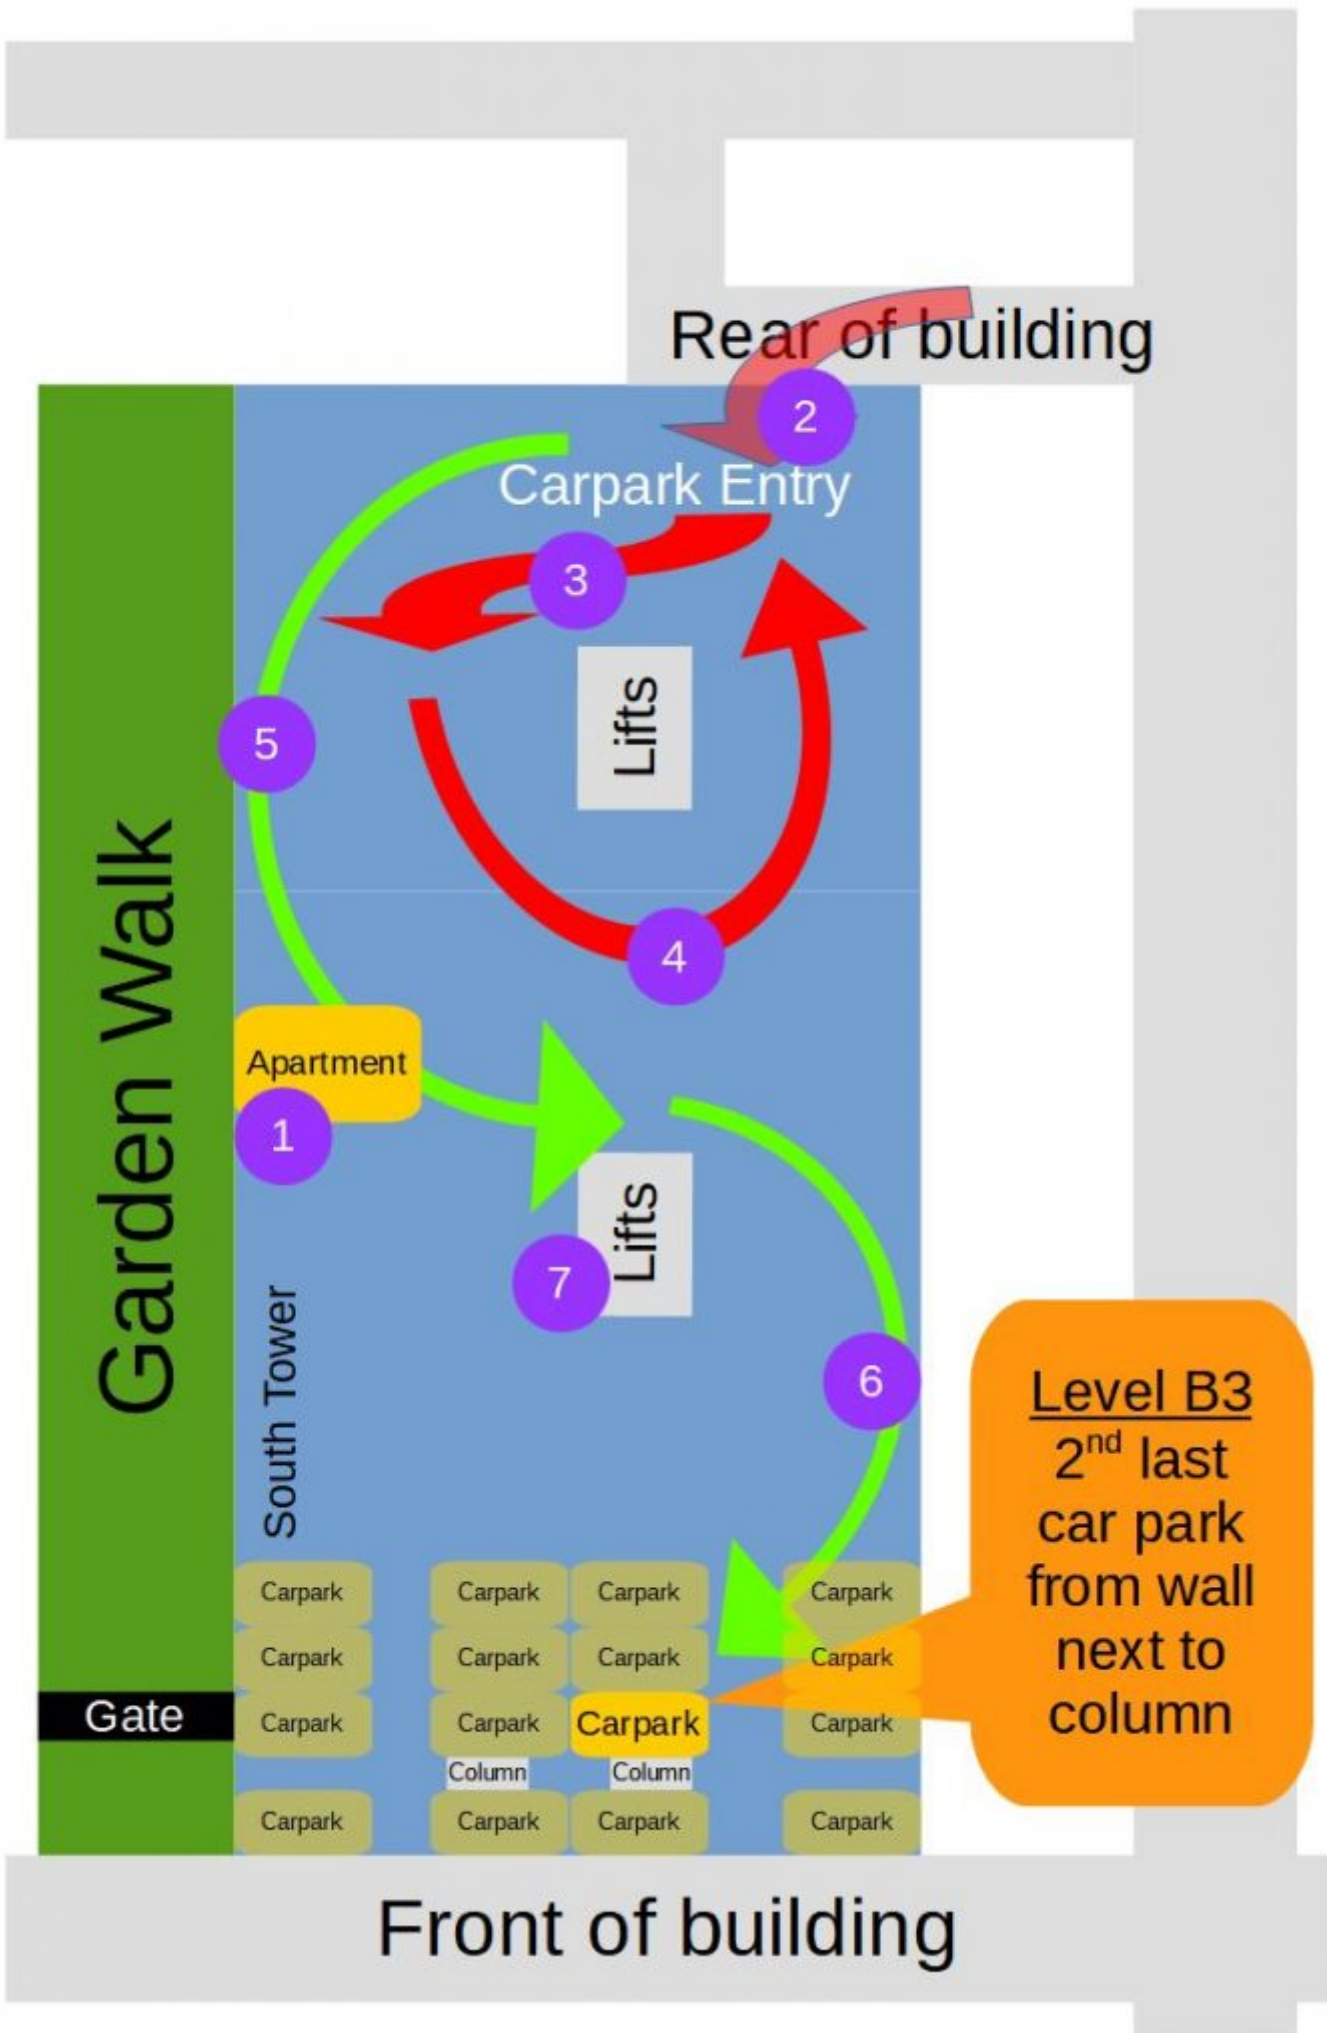

**WARNING - only park in the allocated car park or you will be fined.**

## Video

## Steps

1. Collect car park garage door remote from the apartment
2. From the rear of the building, press the left remote button to open garage door
3. Enter basement and turn right with a quick left (this is level B2)
4. Turn left past the first lifts and go down one level (maximum height 2.1 metres). You are now on level B3
5. Keep going left between lifts to other side of building
6. Park in the 2nd to last car park from the wall, next to the column (car park has the apartment number printed on the ground).  
**ONLY PARK IN THE ALLOCATED CAR PARK OR YOU WILL BE FINED.**
7. Swipe lift to go to the apartment level (the first digit of the apartment number)
