

Portable Cot/Crib/Baby Bed

The portable cot is in the wardrobe/closet.

Opening the Cot

- Remove the outer sleeve. This is the cot base.
- Pull the centre of the cot
- Lock the sides into place
- Put the cot base (you pulled this off in step 1) into the cot
- Optionally, use the spare cot mattress

Closing the Cot

- Remove the soft cot mattress
- Remove the cot base
- Fold the cot up
- Place the cot base around the folded cot
- Place the cot back into wardrobe.
